

School for Thinktanners 2024 Participant fee categories by region and country

The standard fee for the School for Thinktanners 2024 is EUR 1,900. However, we offer a partial scholarship (fee of EUR 1,500) for participants from selected countries to enable and encourage participation from across the world. Early bird applicants are eligible for a 5% discount.

To determine your School fee, please refer to the following tables to identify whether your country falls under Group A (standard fee) or Group B (fee with partial scholarship). Kindly note down the applicable fee for your country. Please note that if you are being sponsored by an organisation, the fee category will be based on the country where the organisation is located (for example, if you are based in Nepal but your sponsor organisation is in the UK, then the sponsor will be required to pay the standard fee to confirm your participation).

If your country or territory is not in the following lists, please write to us: school@onthinktanners.org
